

## G27 A Romantic Repertoire Taste for Male Voices

A taste of romantic repertoire for male voices, under the guidance of an experienced director, for those who already sing in a men's choral group and for those who want to try for one day the excitement!

This atelier gives an overview of easy German romantic compositions for male choir. All works can be sung by amateur choirs! Discover new names like Mangold, Reinthaler or Neumann, and enjoy "romantic stars" like Mendelssohn, Schubert or Schumann.
