

## It's Discovery time!

The festival is still open for registration: it's **Discovery Ateliers** time! We have published the calendar in the "ready to... sing" section of the web site. You can find many different offers for your day off, for the days after a long workshop, to change every day if you want.

To sign up and save a place in your favourite Atelier Discovery write to [musicoffice@ectorino2012.it](mailto:musicoffice@ectorino2012.it)
