

## Casa Teatro Ragazzi

Corso Galileo Ferraris 266

Two rooms, a garden, a café, "Casa Teatro ragazzi" is the perfect place to meet theatre lovers and practice leisure-time activities. Thanks to the many initiatives, both in summer and winter, the "Casa Teatro Ragazzi" is a fun place for young people where they may watch shows and act on the stage for the first time. Besides the workshops for children, the Theatre House organizes meetings with writers, photographic exhibitions, charity events, dance performances, creative writing courses, games and crafts and has a guided approach to acting and performing arts.
