

### Educatario della Provvidenza

corso Trento 13

The "Educatario" was founded in 1722 . It has become a reference point for city dwellers culture and furthermore, it is one of the oldest centers in the city located in the "Crocetta" pedestrian area. The Institute's commitment is geared towards many cultural sectors aiming to offer anyone who wants to develop his/her own cultural knowledge an opportunity to express himself/herself, along a constructive social path and accompanied by educational and didactic projects. Eighteen spacious rooms are available at the Centre, all equipped with appropriate tools to encourage aggregation initiatives. Besides artistic activities, the center offers different services, from psychological counseling to helping families.
