

### **S.S. Annunziata**

*Via Po 45*

The "Santissima Annunziata" Parish comprises the sixteenth-century church. The important features of this church are the chapel, dedicated to the Saint and the wooden group. The University Center is active in the community: it organizes several spiritual and philosophical meetings and conferences. The University choir is affiliated to the Parish and the Center. Moreover, the Parish offers services that answer to the X Center: after school activities, cultural mediation meetings, adolescent support through recreational activities, reading rooms, and organized excursion to find out about the city.
