

### Teatro Astra

*Via Rosalino Pilo 6*

As regarding the contemporary programme, this theatre is the privileged place of the Fondazione Teatro Piemonte (a regional theatre foundation) and a national showcase for the European new pièces. In addition to the titles of contemporary theater, it offers tasting evenings, book presentations, readings, workshops and internships. It has also a rehearsing room always animated by ideas and performances. The theater is located in the neighborhood of the IV circoscrizione, a district where the Torino dwellers often go to the theater with enthusiasm, confident in the quality and innovation that is a dictate of this organization.
