

A4 Yo Man!

Choral music meets hip hop artists (but not only) and the choir is much more than "Dop, ba duba dop". You will see how voices become a vocal orchestra and together we will be looking for border sonorities like when two far away worlds meets in the name of the endless possibilities of the human voice and of musicians as bridge builder. You cannot miss it...the fun is guaranteed!

length

4 days (part I)

final performance

Monday 30 July

for

youth (age 14-26)

where

Cavallerizza reale

Alessandro Cadario (IT)

He is a conductor, composer, musical arranger but most of all a tireless promoter of choral music in all its imaginable infinite forms. This has always been his greatest passion.
