### accommodation

**It is NO longer possible to book accommodation through the festival offers.**

The festival offers three accommodation options:

- family stays, breakfast included
- in hostels, university apartments and other low-cost structures, rooms with two or more beds, breakfast included
- 3-star hotels, rooms with two or more beds, breakfast included

You will need accommodation at least until the night after the performance of your atelier. Obviously, if you plan to stay longer and take advantage of the discovery ateliers or other one-day offers you will have to stay for additional nights.

It's also possible to stay in superior hotels. These hotels will have to be booked by you directly and cannot be booked or paid through the festival organisation.

Recently, the city of Torino has introduced the 'tourist tax', like many other Italian cities, for a maximum of 4 consecutive days. The fee varies depending on the type of the hosting facility. The tax must be paid directly to the accommodation facilities and not to the festival organisation. You can find the tax amounts on the City of Torino website address [www.comune.torino.it/soggiorno](http://www.comune.torino.it/soggiorno)

### meals

The festival will host a special "festival restaurant" in the city centre, which will be able to accommodate all the festival's participants who should request it. Breakfast will be taken at your place of accommodation. The kitchens in the city centre will be open from dinner on Friday, July 27th, to dinner on Saturday, August 4th. Meals must be requested when registering. Alternatively, you can take care of your own food.
