

G22 Mediterranean Folk- Love and Fun Songs from South Italy

The atelier will focus on traditional songs involving more voices and belonging to the area of Silas and the Marquis of Crotona (Calabria), love songs, fun songs, anger songs, and harvesting and for the dance (Tarantella), both on songs traditionally performed a cappella, and songs accompanied by live guitar battente, traditional percussions (friction drums, castanets) and traditional frame drums (tambourines and tammorra).

The atelier is organised by the **Artistic Company La Paranza del Geco** in Torino:

Simone Campa artistic director, composer, percussionist and researcher

Elisa Di Dio singer, classically trained percussionist, singing and music teacher

Mario Grimaldi master luthier of international renown, builder of classical and swing guitar, guitarist, researcher
